Shaped Hem Template Set

Includes: single scallop, three-step, and triple scallop designs

gailpatricedesign
GP

Gail Patrice Design (www.gailpatrice.com) offers a Shaped Hem Template Set which includes a single scallop, a three-step, and a triple scallop design. Although designer Gail Yellen created it to complement several of her panel skirt patterns, she also includes directions to adapt the finishes to other

garments. Her single scallop fits perfectly on the lower edge of the Petite Plus Patterns Swing Coat #250!
